Richard Humphries, The King’s Fund

Our purpose today

• Develop shared messages about the importance of building community capacity in delivering key change agendas

• Identify key opportunities for strengthening the role of community capacity building in achieving sustainable health and wellbeing

• Build understanding across system leading organisations of the potential for a combined approach

Panel discussion

- **Richard Humphries (Chair)**, The King’s Fund
- **Duncan Selbie**, CEO, Public Health England
- **David Pearson**, Immediate Past President ADASS, Joint Chair of TLAP
- **Hazel Stuteley O.B.E.** Principal C2, Exeter Medical School
- **Rob Webster, CEO**, The NHS Confederation
- **Councillor Sandra Samuels**, Cabinet Member Health, Wellbeing & Public Health, Wolverhampton City Council
Making it happen – table discussions

What are the greatest opportunities for strengthening our combined approach to engaging and empowering communities?

What practical steps can be taken nationally and locally to grasp these?
