REFERENCES

This lists the references that have informed the development of the workshops, including national policy statements, two key blocks of papers on market facilitation and market development, co-production materials and some more detailed case studies and evaluation reports. It is not an exhaustive list of current material, but further references can be found in many of the documents listed, and through the websites.

A Vision for Social Care: Capable Communities and Active Citizens; Department of Health (2010)

Transparency in outcomes: a framework for quality in adult social care; Department of Health (2011)
