**OUR VISION**
Person and community centred approaches as a route to wellbeing and enhanced citizenship.

**OUR MISSION**
- A relentless focus on personalising and transforming the experience of care and support for all
- Challenge obstacles and support the creation of conditions for transformation
- Inform and influence policy makers and system leaders

**VALUES**
- Authentic • Personal • Inclusive • Putting people at the centre • Model co-production in practice • Share power and decision making • Strengthen and promote relationships

**HOW WE OPERATE**
- Harness the expertise of partners to support system wide change • Support and promote partners’ work
- Co-produce work programme with partnership • Strategic leadership and bringing together commissioners, providers and people with lived experience

**WHAT WE ACHIEVE**

<table>
<thead>
<tr>
<th>Work through partners and networks to deliver front line operational support</th>
<th>Mobilise leaders and decision makers to contribute at strategic level to system change</th>
<th>Showcase examples that deliver transformational outcomes</th>
<th>Work with C4CC and health partners to ensure social care has reach and influence in health sector</th>
</tr>
</thead>
<tbody>
<tr>
<td>Co-production and supporting people to have a real voice in the development and delivery of care and support</td>
<td>Maintain and develop the TLAP partnership</td>
<td>Support the development of community centred approaches</td>
<td>Support a diverse, sustainable and quality market</td>
</tr>
<tr>
<td>Improve choice and control through self-directed support</td>
<td>Promote and implement Making it Real • Evidence and promote impact of co-production</td>
<td>Inform and influence social care reform • Extend personalisation into health sector • Develop the evidence base • Continue to strengthen TLAP partnership</td>
<td>Spread new models of care rooted in lives not services • Develop online resource of innovative approaches • Promote co-produced models of commissioning • Contribute TLAP’s voice to wider sector initiatives</td>
</tr>
</tbody>
</table>

**OUR GOALS**

**OUR PLANS**

**HOW WE WILL DO IT**
We will do this through our partners and their networks, co-production, active support for the sector, conferences, events, sharing stories, social media, building new links and relationships
